

BISTROT Collection

Bistrot is a collection of coffee tables with a metal base, with a matte or rough powder finish: a line that combines the modernity of the material with a simple and extremely elegant design, for a contemporary outdoor. Designed for contract, it is also suitable for city terraces or gardens with a timeless style.

“Garden living” by Il Giardino di Legno

The trademarks of the collections by “Il Giardino di Legno” are the attention to details, the use of materials worked with the higher skills and the plot between innovation and tradition.

Thanks to the partnership between different companies and the continuous presence in international events, the brand is today distributed in over 50 countries throughout the world, from the USA to Japan. It has become a leading player in outdoor furniture market. The important know-how acquired throughout the years and the ability to manufacture specific items for any different design reality has led to continuative partnerships with important architectural and design firms to realise high-profile projects all over the five continents.
