

## TOUTCOURT Collection - designed by Studio Salaris

Toutcourt is a collection with a minimalist cut, for an outdoor furniture with a simple and essential design but that does not renounce the elegance of the lines and shapes. The structure is made of tubular metal with double section - rectangular and round - and the large seat, comfortable and cozy, is completely in handwoven rope. The armchair and the footrest are suitable for living areas in which to relax and take back your space and your time, perhaps in a zen garden or on an outdoor terrace. Armchair and footstool for a 360 ° relaxation and a unique experience to live in green and open air spaces. with raised seat to allow the legs to relax completely and rest the back. Made of powder and rope coated metal.

### Studio Salaris

Studio Salaris was born in the historic centre of Milan, capital of design.

Founder Alessandra Salaris topped her classical education with the study of interior design in London and Milan, where she attended IED and graduated from Politecnico di Milano. She later earned a Masters degree in Marketing and Communication to better understand the challenges of the business she faces everyday. As of today, she has worked internationally. In the past decade she has collaborated with the top magazines and companies of the industry. Her ambition has always been that of delivering a customized support to help her clients achieve an aesthetic expression of their brands. Her mission is to give a personal and recognizable contribution that enhances the clients' story and core values.

### “Garden living” by Il Giardino di Legno

The trademarks of the collections by “Il Giardino di Legno” are the attention to details, the use of materials worked with the higher skills and the plot between innovation and tradition.

Thanks to the partnership between different companies and the continuous presence in international events, the brand is today distributed in over 50 countries throughout the world, from the USA to Japan. It has become a leading player in outdoor furniture market. The important know-how acquired throughout the years and the ability to manufacture specific items for any different design reality has led to continuative partnerships with important architectural and design firms to realise high-profile projects all over the five continents.
